

FISCAL NOTE

SB 1506 - HB 1267

March 1, 2005

SUMMARY OF BILL: Includes grandchildren under the age of 16 in the list of family members of owners or tenants of farmland exempt from hunting and fishing license requirements on the land of such owners or occupants.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues – Not Significant/Wildlife Resources Fund

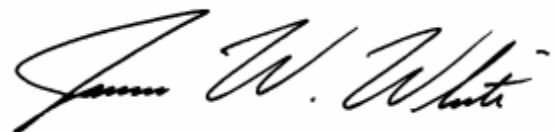

Other Fiscal Impact – Decrease Federal Revenues – Not Significant/Wildlife Resources Fund

Assumptions:

- There would be a not significant decrease in state revenues to the extent that the newly exempted individuals were buying hunting and fishing licenses.
- There would be a not significant decrease in federal revenues due to the loss of federal matching funds for those individuals no longer required to buy hunting and fishing licenses.
- Because anyone under the age of thirteen is currently exempt from licensing requirements, the exemption provided in this bill would only exempt individuals between the ages of 13 and 15.
- The cost of a combination hunting and fishing license for individuals between 13 and 15 years of age is \$7.00.
- The cost of a combination hunting and fishing license for individuals 16 to 65 is \$20.00.
